DISTRIBUTION

[illegible]

1. Issues of the Soviet weekly, New Times (Novoje Wremia), published in Moscow and dated 23 and 21 July, reportedly were received by the Soviet Embassy in Buenos Aires before 15 August and distributed to Christo Gonesky and Martin Raduj, Bulgarian and Polish Communist leaders in Argentina, respectively.
2. This publication, which the Soviet Embassy is said to receive by airmail in limited numbers, is made available to the Slav Communist leaders in Argentina in order to orient them in Soviet foreign policy and help them guide the local Slav Communists along the Moscow line.

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50, U.S.C. 31 and 32 as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
Director of Central Intelligence to the
